Dear Catherine,

Congratulations! We are pleased to inform you that you have been selected to serve on the Council for Women in Energy and Environmental Leadership (CWEEL) Board of Directors. You have been chosen along with a prestigious group of peers to serve on this important inaugural board for a two year term (2010-2011). You have been named Chairperson of the Energy Policy Committee.

This is a very exciting time for CWEEL! This year, 2010, will be the first operating year of our full Board, and we are very honored to include you as an inaugural member.

We plan to have our first board meeting during Globalcon at the Pennsylvania Convention Center in Philadelphia Wednesday, March 24, 11:30 a.m. – 1:00 p.m. Please let us know if you will be able to attend. If not, we hope you will be available to attend via conference call.

At the board meeting, we will be discussing CWEEL goals and objectives for 2010. In preparation for the board meeting, please be thinking about what you would like to achieve with the committee you will be heading. We hope you will come with your favorite idea for one new initiative and be prepared to discuss how to successfully solicit members for your committee. The AEE staff will be present to discuss the support that they can provide to the Board. An agenda, room location and dial-in information will be emailed to you shortly before the meeting.

Thank you for your commitment to support the development of women in our industry, the CWEEL council, and AEE through your participation on the CWEEL Board. We look forward to seeing you in a few weeks in Philadelphia.

Sincerely,

Al Thumann
